

Michigan Hospitals—1987 Index

SUBJECT INDEX

Associations

- McCool, Barbara P., The hospital association's changing role, July, p. 15.
Pollack, Richard, Facing the future in uncertain times, July, p. 9.

Credentialing

- Hodges, Edward N., III, Board members need to be actively involved in physician credentialing, May, p. 39.
Jesse, William F., The first step in quality assurance, May, p. 22.
Kitch, Richard A., Legal liability and credentialing, May, p. 7.
Klein, Robert M., Trustee involvement in staff appointments: An antitrust Rx, May, p. 31.
Mandell, Gerald H., Risk management, credentialing, and beyond, May, p. 11.
Morgan-Williams, Gale, The first step in quality assurance, May, p. 22.

Data

- Hamilton, Richard A., The public's demand for data, Jan., p. 17.
Johnson, Allan N., Data disclosure: The voluntary approach, Jan., p. 19.
Larks, Marlene, The benefits of regulated data, Jan., p. 22.
McClure, Walter, The consequences of glut, Jan., p. 11.
McManis, Gerald L., Trends for the future, Jan., p. 5.
Richards, Libby, Programs will address medically indigent problem, Jan., p. 29.
Tverberg, Gail, Medical malpractice: What's ahead?, Jan., p. 29.

Human Resources

- Brubaker, Kathy M., Perspectives from a nurse executive, July, p. 91.
Carpenter, Eugenia S., Michigan's changing physician supply and distribution, March, p. 21.
Croll, Julie, The Bureau of Health Services looks to the future, March, p. 35.
Elliott, Colleen, Allied professionals' thoughts on the shortages, March, p. 10.
Gerard, Roger A., A cultural approach to optimize effectiveness: A case for employee participation, March, p. 39.
Jackson, Janet Y., Entry level: The issue begs for resolution, March, p. 47.
Manninen, Charles O., Health profession licensure: How far should it go?, March, p. 27.
Melton, V. Brandon, The fourth wave: Human resource management, March, p. 17.
Schneberger, M. Susan, Licensure: Social workers cite seven reasons why, March, p. 31.
Walters, Steven D., Personnel shortages: Why, how much, and what to do, March, p. 7.

Legislature

- Burdick, Sen. Quentin, Caucus focuses attention on rural health care, Sept., p. 36.
Dodge, Jim, '87 Day at the Capitol scheduled for March 25, Feb., p. 27.
Nichols, Judy M., Day at the Capitol, Dec., p. 40.
Nichols, Judy M., Hospitals thank congressman, May, p. 35.
State leaders discuss health care issues, July, p. 21.
State and federal legislation (small hospitals), Sept., p. 39.

Mackinac Island

- Gringhuis, Dirk, Lore of the great turtle, July, p. 79.
Musser, Dan, Grand memories, July, p. 77.
Woodfill, W. Steward, Grand Hotel: The 100-year story of an institution, July, p. 69.

Michigan Hospital Association

- Brown, Nancy Hale, Profile: Arthur A. Knueppel, Nov., p. 9.
Nichols, Judy M., HAPAC marks 10th anniversary with recognition pins, Nov., p. 81.
Tenniswood, Mary Byrne, The history of hospitals: 150 years of caring, July, p. 53.
Tuttle Russell, A closer look at MHA's chairman: Gerson I. Cooper, Feb., p. 25.
MHA organizational structure, Nov., p. 13.
MHA members 1987-88, Nov., p. 21.
MHA members by district, Nov., p. 57.
Michigan Association of Hospital Auxiliaries, Nov., p. 67.
MHA affiliate organizations, Nov., p. 69.
MHA, MHASC, MHAMIC, MHA/HPS committees, councils, Nov., p. 71.
MHIN user's committee, Nov., p. 79.

Quality of Care

- Beckham, J. Daniel, High quality as a hospital promoter, Oct., p. 35.
Burns, Lawrence P., Legal issues into the '80s, Jan. p. 38.
D'Anastasio, Mark, Red medicine, Oct., p. 40.
Davies, Allyson Ross; Ware, John E.; Brook, Robert H.; Peterson, Jane R.; Newhouse, Joseph P., Prepaid vs. fee-for-service study reveals consumers' attitudes, Feb., p. 6.
DesHarnais, Susan; Chesney, James; Wroblewski, Roger, and Flemming Steven T., Using data to evaluate performance, Oct., p. 21.
Elliott, Colleen, Has cost cutting hurt quality?, Jan., p. 33.
Fanizzo, Barbara K., and Kehl-Rose, Karen, Management scheme, profile can produce measurable quality, Oct., p. 7.
Fiedler, Nancy, Preparing for HCFA's release, Oct., p. 33.
Kondek, Donna, Quality: Five leaders' opinions, Oct., p. 15.

- Scanlan, Carolyn F.; Ciccone, Kathleen R.; and Masterpolo, Sandra L., HANYS takes leadership role in quality control, Oct., p. 39.
- Schroeder, Kathryn K., Monitored and managed, Oct., p. 9.
- Soule, David N., Using comparative data in the physician community, Oct., p. 27.
- Lubaway, William J., Quality is "free," Oct., p. 45.
- Managed health care meets market demand, Feb., p. 17.
- Lee, Rex H., Let's face it: Hospitals are a business, Feb. p. 28.
- Maher, Walter B., Why purchaser cost management must intensify, Feb., p. 20.
- Scott, James L., Medicare prepaid numbers mount, Feb., p. 11.

Resource Allocation

- Brody, Howard, DRGs and ethics: One physician's opinion, Dec., p. 36.
- Campbell, Courtney S. and Homer, Paul, Ethics, technology and resource allocation in health care, Dec., p. 7.
- Evans, Roger W., Public perception and the realities of organ transplantation, Dec., p. 13.
- Levine, Peter, Decisions in allocating resources: It's time for a consensus, Dec., p. 32.
- McMillian, Elizabeth, Costworthy care and the ethics

committee, Dec., p. 19.

- Weber, Leonard J., AIDS and the ethics of cost control, Dec., p. 23.
- Povar, Gail J., Ethics and the HMO: An interview, Dec., p. 27.

Smaller Hospitals

- Cwiek, Mark A., Managing legal issues in a small or rural hospital, Sept., p. 43.
- Heilmann, Jane, Regional medical center helps faltering rural hospital survive, Sept., p. 5.
- Irwin, Robert, Measuring our hospital's success, Sept., p. 15.
- Jackson, Janet Y., Nurse recruitment and retention in the small hospital, Sept., p. 31.
- Maslanka, Kathy, Merger: A community hospital gets a "specialty" connection, Sept., p. 11.
- Meeker, Robert A., CON: An added burden for smaller hospitals, Sept., p. 27.
- Roth, Clara, Volunteers are crucial to the small hospital, Sept., p. 42.
- Tower, Robert A., The small hospital—survival vs. codes, Sept., p. 20.

State-of-the-art Technology

- Bailey, Pamela, Medical technology and American medicine: Maintaining opportunities for high-value care, June, p. 5.
